# Create General and Custom Recommendations

## GENERAL

- Review of Planning Documents & Policies
- Behavioral Change Programs
- Environmentally-Preferable Purchasing (EPP) / Energy Star buying strategy
- Reduce Fuel Consumption for Vehicle Fleet by analyzing routes and usage (may be custom based on priority given results of inventory)

## CUSTOM

- AUDIT on top building: Weatherization and Insulation of Library
- Consider LED streetlights. The cost of electricity for streetlights was 16% of recorded costs in relation to 12% for all buildings.
- Investigate & Implement Alternative Energies (CHP at Town Hall or Library)
